

Achievements

During this week's reflection, pupils shared their highlights of the term. Here is a summary of their comments:

- We loved our trip to Cultybraggan because it was amazing and an incredible experience.
- Visiting the UHI because it was fun extracting DNA and dissecting lamb's heart. It was a unique way to learn, something we wouldn't have wanted to miss.
- Learning about WWII. Here are a few adjectives to describe the topic – incredible, fun, interesting, cool, mesmerising and life changing.
- Curling because it was so fun and we also slipped a lot.
- P.E with the Yellow Room. We have enjoyed leading the P.E sessions.
- Reading and watching 'Goodnight Mr Tom' It was enjoyable experience.
- Skiing because we had the best weather!

This week ...	AOCB		
<ul style="list-style-type: none"> • On Monday and Tuesday we steamed ahead with 'Goodnight Mr Tom'. The story was totally captivating and we couldn't wait to find out what was going to happen to Will after the officials came to visit Mr Tom about the kidnapping. We were thrilled to find out that Mr Tom was able to officially adopt him. There were so many heart-warming events in the story and equally as many sad moments. • We enjoyed watching the movie adaptation and writing a detailed book and movie comparison. It was lovely to read pupils favourite moments in the text and read their thoughts about the differences between the book and the movie. • We finished our topic this week looking at VE Day. We went back in time and watched genuine footage of the celebrations, as well as listening to Churchill's victory speech. • In writing this week, we travelled back to 8th May 1945 to witness the actual celebrations. Many pupils chose to venture to Buckingham Palace to see the King on the balcony. Some chose to go to Clydebank in Glasgow to witness the honking of the ship horns and watch the bonfires. Their aim was to capture the atmosphere and use emotive language to captivate the reader. • We completed our work with fractions, percentages and decimals this week. As a finale, we played a co-operative team game to win house points. • I introduced pupils to a new online French website, Linguascope. It was an absolute hit! They thoroughly enjoyed the variety of games on offer and it is a super way to consolidate learning. • We held a 'Walking Museum' in our classroom on Wednesday for the Red Room. My class set up stations to allow the other pupils to learn about their Anderson shelters and WWII artefacts. My class really enjoyed sharing their expertise on the topic and it was lovely to watch their exuberant discussions and explanations. • We finished Young Leaders with all our groups organising a 'Round Robin' of activities. Their leadership and organisation skills continue to grow and we will continue with this programme of work next term. 	<ul style="list-style-type: none"> • P.E will be on Mondays and Wednesdays <p>Please can pupils come to school dressed in their P.E gear on a Monday.</p> <p>Please can I remind pupils to bring their water bottles to school daily. Bottles can be refilled throughout the day.</p> <p>Thanks for a great term and I will see you all in term 4! Have a super holiday everyone 😊</p>		
Question stems for discussion at home:			
What was the most enjoyable part of your week?	Tell me one thing that you learnt this week...	What did you find tricky this week?	What did you do in class this week that you want to try again? Why?

Date: Friday 31st March

Class: P6
