

Date:15.06.23 Class: P1/2

Achievements

What a fun filled week it has been...

This week we...

AOCB

- A huge highlight for everyone was Sports Day- everyone really enjoyed the potted sports and the races and were thrilled so many parents/ carers came to watch.
- The class were intrigued by the Thunderstorm on Tuesday and for many it was exciting to see lightning for the first time; others were a little scared but P7 came to keep an eye on everyone and read stories to the class. The class then enjoyed learning a bit more of the science behind a thunderstorm and why they happen.
- Everyone enjoyed music with Liza, practising songs and playing with different instruments.
- Kodaly- the class continued to learn about high and low notes.
- The class are really enjoying their outdoor play in the woods with nursery- the den at the top of big hill had been demolished so it was excellent to see the problem solving, teamwork and communication that went into trying to rebuild it.
- The class love getting together as a whole school, so the summer picnic was a huge hit. They enjoy getting to choose which games to play and who to sit with for lunch. It was a lovely afternoon for everyone.

- P.E- Wednesday and Friday
- Please put sun cream on before school and put it in children's bags so they can top up at lunchtime.
- Please put a sun hat in your child's bag and a water bottle.

Question stems for discussion at home:

What was the most enjoyable part of your week?	Tell me one thing that you learnt this week...	What did you find tricky this week?	What did you do in class this week that you want to try again? Why?
